No Counsel

Will Not Appear

District Court of Nevada

It is terrible that Zappos will make additional money off its security breach by providing a 10% discount on merchandise you have to purchase as a "settlement". Unbelievable! And, should be illegal! I have loved Zappos and this has really changes my opinion of the company! Most breaches include tangible settlement or coverage of some identity protection service.

This self-serving "settlement" is a horrible idea and tarnishes the reputation of Zappos! The directions to file an objection do not even include the address of the United States Court of the District of Nevada! And, requires me to spend time on a matter that should have never been proposed as a "settlement".

I realize this is probably legal and nothing will be done because of my writing this letter and not being able to hire counsel, which also speaks to the state of corporations over individuals in America! Zappos gives us the impression it is a consumer caring business...now we know it is no such thing – it is a corporation that puts profits over people in the age of technology!

Sincerely,

Monica Wooton

Please take a moment to read this email.

Hi monica wooton,

You are receiving this email because you were a Zappos customer in January 2012. As such, we are writing to inform you that a resolution has been

reached in the class action lawsuit filed because of the data breach that occurred during that time.

Important additional information is below, but the short version is that you are getting a 10%-off discount code to use on an order placed before the end of year. You may also transfer the code to someone else.

Here is your one-time-use code: LERX-BFSG6N-UTNVA3. Once you've selected the items you want to purchase on Zappos.com or the Zappos App, select "Proceed to Checkout" and you'll have a chance to enter your code.

- For Desktop Users: Under "2. Payment Method," you'll see a dropdown for "Add gift card or rewards code." Simply enter the code there, click "Apply," and continue checking out.
- For App Users: Select "Gift Codes" in the top right corner, enter your code, select save, and continue checking out.

Thank you for your patience and understanding and, as always, we're here to help. If you need help with placing an order, please don't hesitate to reach out by contacting us at <mailto:2012action@zappos.com>. In re: Zappos.com, Inc. Customer Data Security Breach Litigation
United States District Court, District of Nevada,
Case No. 3:12-cv-00325-RCJ-VPC,
MDL No. 2357

COURT ORDERED NOTICE OF CLASS ACTION SETTLEMENT

You are a member of the Settlement Class in the above-captioned lawsuit, which relates to a data security hack against Zappos.com in January 2012. The case has settled, and you may use the unique code provided above for 10% off a single future online purchase of goods on Zappos.com (or via the Zappos.com mobile app), exclusive of shipping costs and taxes. You may also transfer or sell this code to someone else for personal, non-commercial use.

The Court has preliminarily approved this settlement. It will hold a Final Approval Hearing in this case on December 20, 2019 at 10:00 a.m. in Courtroom 3 of United States District Court for the District of Nevada, located at 400 S. Virginia Street, Reno, Nevada 89501. At the Final Approval Hearing, the Court will decide whether to approve the settlement and whether to grant Class Counsel's requests for \$1,597,500 in attorneys' fees, costs, and expenses, and for service awards of \$2,500 to each of the nine Representative Plaintiffs (i.e., a total of \$22,500 in requested service awards). You have the right to attend the Final Approval Hearing and to be represented by counsel of your choice (at your own expense). For more information, including information about how to object to the settlement or to the request for attorneys' fees, costs, expenses or to the request for service awards, please visit this website <http://e.zapposdatasettlement.com/rd/9z1zf2t1qr0tb8gg3423ch18pjldl49o0hq8vvu4mp8>.

If you do not use or transfer your discount code, you have the right to request exclusion from the settlement ("opt out") or to object to the

settlement, but the deadline for this is November 29, 2019. Please click here

(<http://e.zapposdatasettlement.com/rd/9z1z5ajerdtilesob79cf0q8uv57d84ag8b2t2i.kh7o>) for additional details.

If you do not request exclusion from the settlement before the deadline and if the Court approves the settlement, you will release (give up) all claims against Zappos and related parties (including Amazon.com) that pertain in any way to the January 2012 data security hack.

If the court does not approve the settlement, the discount code may expire at the time of the Final Approval Hearing; otherwise the discount code is good until December 31, 2019.
